ABOUT IDENTITY THEFT – THE RISKS...

Identity theft is a serious crime.

It occurs when your personal information is stolen and used without your knowledge to commit fraud or other crimes. Identity theft can happen anytime, anywhere. However many people are still under the misconception that identity theft won't happen to them, so they leave themselves vulnerable to ID thieves who are becoming increasingly more sophisticated.

According to the FTC, in America alone, one person becomes a victim of identity theft every 3.5 seconds.

Did You Know?

Well over 200 million personal data records were lost or exposed in the US in the last 2 years. Over 3 million valid Social Security Numbers are traded online annually. The risks are great – in terms of lost wages, personal time lost, out-of-pocket expenses and peace of mind.

SOLUS Employee Protection Plans...

COMPREHENSIVE FAMILY-ORIENTED IDENTITY THEFT PROTECTION INTEGRATED AS PART OF YOUR VOLUNTARY EMPLOYEE BENEFITS PACKAGE

Building on the core strengths of our personal identity theft protection - SOLUS delivers employee protection plans that provide imbedded identity theft protection to groups of employees through existing business or organization benefits packages. Build loyalty, protect your bottom line, and help your employees by delivering a dynamite identity theft solution to them.

Rest assured that by helping to protect their identities - you help to protect not only their lives and future, but the lives and future of their families as well.

Employee protection plans are available for imbedded enrollments of 100 members or more. By selecting one of three protection levels: Platinum, Gold, or Bronze, your group's plan is customized to deliver a specific level of protection at an extremely cost-effective price. Our pricing structure is tiered such that the larger the group – the lower the cost per member. Remittance can be monthly or annually. The member fulfillment packet includes a benefits description and wallet card with toll-free, multi-lingual Action Center phone number.
